

Dear Guest, dear friends

We are pleased that you have chosen our house for your stay and welcome you.

Whether winter fun, summer freshness or autumn pleasures - our comfortable apartments offer an attractive ambience for your holiday in Ischgl in every season.

The "Davo Lais" is built in traditional style. It impresses with its rich wood content in the indoor and outdoor area and the down to detail comfortably furnished rooms invite you to feel at home.

The name "Davo Lais" is Romansh and means "behind the lakes".

In front of this mountain, on the side of Val Laver there are three charming mountain lakes.

North of the upper lake is the Fuorcla Davo Dieu (2807 m), an easy transition from the Fimba (Val Fenga) on the Fuorcla Spadla to Sent in the Engadin.

A fleeting smile, a touch of romance and the warmth of authentic Tyrolean hospitality - these are incomparable "Davo Lais" holidays.

Whether with friends or the whole family – in our hotel everyone finds the right thing. In our hotel you will feel comfortable - this is shown by the high number of regular guests, which we welcome every year.

In order to make your stay in the "Davo Lais" as pleasant as possible, we ask you to pass on the following house rules to all fellow travelers.

We wish you wonderful days in
Family Walser

YOUR HEALTH IS IMPORTANT TO US!

We are all going through very difficult times right now. You can be sure that we will do everything possible on our part so that you can enjoy a relaxing and wonderful holiday with us at Davo Lais in Ischgl.

We adhere to the highest standards of health and hygiene so that not only comfort and relaxation are provided, but also the safety of each individual.

We work with dedication for your safety and health, because for us this is above all things. In your and our interests, we ask that you adhere to the requirements in our house, in the village and in the Silvretta Arena Ischgl / Samnaun and also appeal to you to take responsibility. Let's not give Covid-19 a chance.

We think positively and look ahead to a wonderful winter – together with you – our dear guests and friends.

Kind regards
Family Walser

In-house measures

- Disinfectant dispensers can be found in the entrance lobby and in the ski room.
- All apartments are carefully cleaned. The company Hollu systemhygiene supports us in an advisory capacity and with the most modern cleaning and disinfection systems. We take care of our guests and employees.
- We are specifically intensifying a large number of cleaning activities. This applies for example to the cleaning or disinfection of contact surfaces at the reception, the lift and the stair handrails, door / window handles, light switches, TV remote controls and the sanitary facilities.
- We and our employees are trained in the hygiene measures owed to the special circumstances and implement them.
- All laundry is washed down to the pores.
- As long as the Covid security measures are in effect, access to the apartments in Davo Lais is possible for house guests and in special cases for registered visitors.

General

- Follow the distance rules and wash or disinfect your hands several times a day.
- Please note the number of people in the hotel lift (family or people belonging to your travel group).
- Use our hotel ski pass service.
You can purchase the ski pass (key cards are disinfected) for the Silvretta Arena easily and conveniently at the Davo Lais reception – of course at the prices and conditions of the Silvrettaseilbahn AG.
- We ask you to bring the mouth and nose protection (FFP2-mask) with you, as this is required for activities outside the home (especially when using the cable cars and lifts, ski buses, restaurants, taxi rides, doctor / pharmacy, grocery stores, ...).
- We ask our guests to wear mouth and nose protection RESPONSIBLY where the minimum distance of 1 meter to strangers who do not belong to your family / travel group cannot be maintained.
- The measures apply as long as they are recommended / ordered by official bodies. If necessary, these are adjusted.

Registration

We have to announce all guests on the day of their arrival to give us your personal data for the guest card. The handed-out guest card is also needed for the purchase of the VIP ski pass for the Silvretta Arena Ischgl - Samnaun.

Reception

If you have any questions or concerns, feel free to contact us.

If the reception is not occupied, you can reach us at the number **20** with the house phone.

Key

We usually provide a key for each apartment / room, at the departure these have to be returned at the reception. Additional keys can be borrowed from the reception, if available.

We ask you to take the room key with you in the evening, as the entrance door will be closed at the latest from 21:00.

If the key gets lost, the damage caused must be replaced by the person responsible. The price of the apartment key is € 50, - because this key is part of the central locking system.

Bread service

You have the opportunity to order every day fresh bread.

For more information, please contact the reception.

Room bill / means of payment

We kindly ask you to pay the apartment bill the day before your departure. The payment of the apartment bill is only in cash (€) or from € 300, - with debit cards possible (  ). Additional services (bread, etc ...) only for cash.

Arrival / departure

The apartments are available from 15:00 on your arrival. On the day of departure, we kindly ask you to vacate the apartment / room by 9:30 am at the latest.

Ski-/ snowboard equipment

Skis, ski boots or snowboards can be stored in the ski room in the designated areas. The shoe holder is heated.

Please use the side entrance with your ski equipment for direct access into the ski room.

It is not allowed to enter the lift, the staircase or the apartments with ski / snowboard boots!

We ask for your understanding that your ski / snowboard equipment is not allowed in the apartments.

Internet

In your apartment you have the possibility to use our wireless LAN access with your notebook / tablet / smartphone.

By entering the login password, you agree to the terms of use published by the access provider.

Telephone

Each apartment / room has a telephone. If you have any questions, please dial **20**.

For external local calls, select:

0 (zero) and then the local telephone number of Ischgl for example the taxi central 5757

Taxi		5757

GENERAL HOME ORDER

In one sentence, the most important thing is said:

We ask all guests to behave in such a way that the other house guests, we and our neighbors are not disturbed. Here are some details:

Night's rest 22:00 – 7:00

After 22:00 o'clock is asked for silence, so as not to disturb the other guests. Please behave quietly in the corridors and in the stairwell. Non-observance of the night's sleep can lead to house reference! We expect respectful interaction with other guests, residents and the landlord.

Smoking

Smoking in the apartment / room and in public areas is prohibited.

Smoking in the outdoor area (balcony, terrace) is allowed, but please use the provided ashtrays.

Illegal intoxicants & weapons

The bringing of illegal intoxicants and weapons is strictly prohibited and leads to an immediate house transfer. In any case, the competent authorities will be notified immediately.

Valuables

The landlord assumes no liability for the loss of valuables (jewelry and cash). Also the safekeeping of the wardrobe, ski equipment, technical equipment brought along is the exclusive responsibility of the guest.

The access of third parties or the transfer of rooms of the house to third parties by guests is only permitted with the express consent of the landlord.

Electrical appliances

The TV/radio must be used at room volume. In our house it is not allowed to use guided electrical appliances except hair driers, electric shavers, notebooks and mobile phones. This is especially for irons, immersion heaters, etc.

in case of emergency

The fire alarm is a loud beep.

If this sounds it is no longer allowed to go to the apartment or to stay there. Only the stairs may be used, in no case the passenger lift. The emergency exit is located on the ground floor (ski cellar). The escape meeting  point is in front of the house.

The unauthorized decommissioning / dismantling of a fire detector, including the covering of a smoke detector, leads to a fault forwarding to the fire department and the costs (at least € 600, -) for this is locally and in cash to replace.

Stairs and corridors should always be kept free as escape routes.

Damage, contamination

In case of damage or contamination of building or inventory the guests have to pay immediately and in cash. Damage to the house or the equipment must be reported to the landlord immediately. Theft and intentional damage to property will be reported.

Please do not throw bandages or tampons in the toilets. Hygiene toilets and pails are available in every WC.

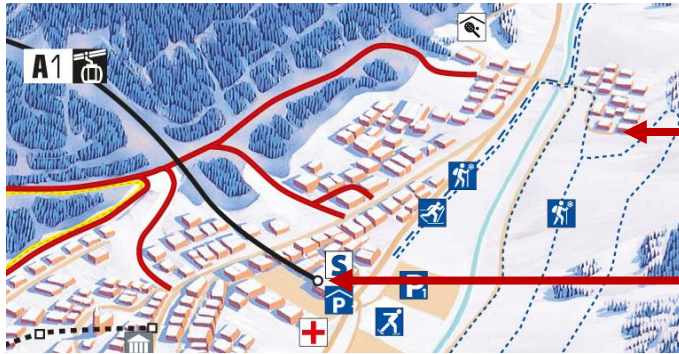

Termination by the landlord

The landlord is entitled to terminate the accommodation contract (even after receipt of the apartment) with immediate effect and to refer in the exercise of his house right the guest / group of guests of the house, if the guest / the group of guests harm the security or the reputation of the landlord, suspected of committing crimes or harassing other guests, residents, passers-by or neighbors, repeatedly disturbing or endangering.

The landlord reserves the right to enter in urgent cases, the apartments / rooms without prior notice.

Depot for ski / snowboard equipment at the cable car

You have the opportunity to use the ski / boot depot at SilvrettaSports (directly at the valley station of the Silvretta cable car A1.).

Silvretta Arena Ischgl - Samnaun

45 cable cars and lifts – so you can move along swiftly on the mountain, over 239 kilometres of perfectly groomed slopes.

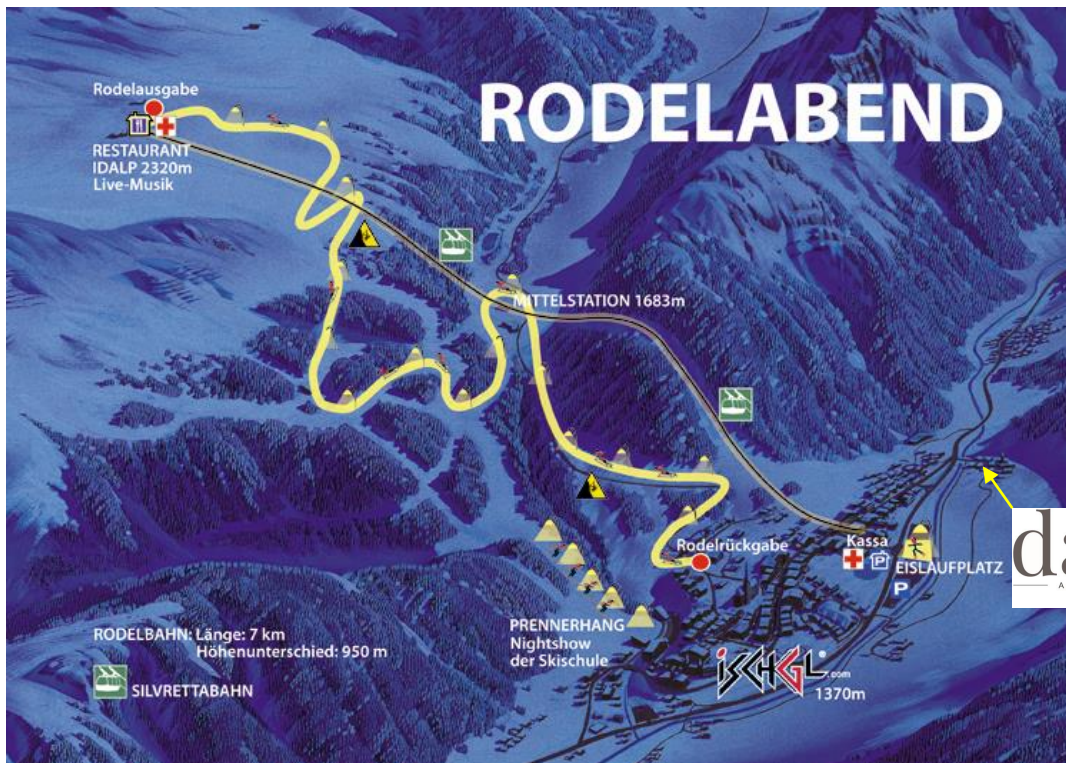

Winter sports enthusiasts have the unique chance to cross the border on skis or snowboard: from Austria over to Switzerland. And you only need one ski pass for this, of course!

Together with the Swiss town Samnaun, the Silvretta Arena is a winter paradise with guaranteed snow – the main part of the resort is located between 2.300 and 2.872 metres above sea level.

Toboggan evening

The toboggan run from the Idalp to Ischgl is a very special attraction and an experience for young and old. With a length of about 7 kilometers and a height difference of 950 meters, the toboggan run is one of the longest and most popular toboggan runs in the Alps.

davo lais
APARTEMENTS

The toboggan evenings take place on Monday and Thursday if the weather is suitable. The toboggan run is illuminated.

The ascent with the Silvretta cable car is possible on these two days from 19.00 - 20.30 o'clock.

The mountain restaurant Idalp offers live music for your entertainment.

Skyfly

With the Ischgl **Skyfly**, daredevils glide on a wire rope, hanging 50 metres above the ground, downhill towards Ischgl. Speeds of up to 85 km/h are reached on the 2-kilometre-long route.

Two parallel rope tracks lead from the middle station "Silvrettabahn A1" via two intermediate stations and three sections to the roof terrace of the valley station of the "3-S Pardatschgratbahn A3".

Thus, 2 people can "fly" side by side into the valley. Adrenalin and adventure experience are guaranteed.

The ski equipment can be transported during the flight.

Further information at www.skyfly-ischgl.at

Operating instructions for electronic safe

Please read these operating instructions carefully before operating the lock or setting a combination of numbers. We accept no liability for malfunctions due to faulty operation or use of force or improper handling or damage to property or pecuniary loss.

Programming a code (Safe door must remain open for this)

1. Open the safe and press the button on the inside of the door (at the hinges)
2. Two beeps will sound and the yellow LED will light (PROCEED). You have 20 seconds to start programming the number code.
3. Enter the desired number combination (at least 3 digits, up to 8 digits) + confirm the entry with the "B" button.
4. After confirming the number combination with the "B" button, the yellow LED (PROCEED) goes out, indicating that programming has been completed successfully.

Operating the safe after successful code programming

1. Close the safe door and turn the knob to the left – so, the safe is locked
2. To open the safe:
Enter the number combination and then confirm with the button "B" – the green LED (READY) lights up briefly and the safe can be opened after turning the rotary knob to the right

Blocking time for incorrect entry

If you make a mistake, the beep sound and the yellow LED lights up. Now you have two more attempts to enter the correct code. If you have entered a wrong code more than three times then the electronics blocks for 20 seconds. During this blocking period, the lock will not respond to any input.

Waste separation

® For plastic and Tetra packaging, as well as for cans, glass and residual waste, appropriately labelled containers are available for disposal in your apartment and in the garage.

We kindly ask you to separate the garbage properly, because the subsequent garbage separation is very labour-intensive and hygienically unpleasant. In the event of non-compliance, we will charge a contribution towards expenses for the expenses incurred.

PLASTIC	all plastic packaging, including Tetrapack
CANS	cans of aluminum and tin
PAPER, CARTON	all paper types like newspapers, magazines etc. cardboard
GLASS	please separate to colored and white glass
ORGANIC WASTE	food leftovers, etc..
RESIDUAL WASTE	all other waste
